OFFICE OF CIVILIAN DEFENSE
WASHINGTON, D. C.

CIVIL AIR PATROL GM-71

NATIONAL HEADQUARTERS
WASHINGTON, JANUARY 29, 1943

Subject: Purchase of Uniforms from Post Exchanges

To: All Unit Commanders

1. We have been notified by the Quartermaster General's Office that the authority for Civil Air Patrol members to purchase uniforms through Post Exchanges has been cancelled. However, this cancellation does not affect the authority to purchase uniforms for privates from the Quartermaster Depots.

2. The reason for cancelling this authority is to protect the retailers (authorized Army Exchange Stores) throughout the country who have permission to sell regulation Army Officers' uniforms and equipment. Regulation uniforms as well as the necessary equipment may be purchased through authorized Army Exchange Stores at the same price as at Post Exchanges. Therefore, this change does not affect the saving to Civil Air Patrol members in the purchase of their uniforms.
