MEMO

From
Gill Robb Wilson

June 9-44

Dear Ken-

Thanks for your good note. I don't know what it's all about as I haven't seen the caption and frankly am not even interested enough to look it up. In any case you wouldn't be writing captions for magazine pictures. That's the job of people who write stories and publish them. Forget it Ken. We all get shot at from the rear some times. That's part of living.

As always
