MEMORANDUM October 29, 1942

In conjunction with CAP TRAINING, and inasmuch as many Groups and Squadrons have completed their basic training, it is felt that use should be made of every training facility. Major Vilas has written Wright Field for their last catalogue of Army Air Forces' Training Film. In reviewing this list, I would recommend the following training films list be made available to all CAP Groups, as follows:

Cat. #	TF		Running Time	Page
