Subject: CAP Song

To: Gail A. Tremblett, 231 West Wisconsin Avenue, Oconomowoc, Wisconsin

1. Your CAP song is much appreciated. Earlier in the year, we received a number of original compositions from a great many areas and have made an official selection of two of them.

2. However, this does not necessarily close the range of selections that may be played by CAP bands. I have asked one of our officers to play your tune on the piano and if we are able to make use of it, we will advise you further.
