*

CHORUS

Contact the Civil Air Patrol
We cruise our country's skies with ever watchful eyes
Contact the Civil Air Patrol
On guard the clock around aloft or on the ground
Across the nation sea to sea flash the wings of CAP
To drive the subs from a shipping lane
To rush First Aid across a plain
To fly you there and back again
The Civil Air Patrol

*

This march is respectfully submitted to National Headquarters for consideration as to adoption as the national CAP march.

Arrangements for sheet music, records and other musical data will be gladly arranged if Headquarters considers this march worthy of adoption.

With the respects of

Lt Ted Hanna
