TO THE 1988 TEXAS WING HISTORY

The official history of the Texas Wing, Civil Air Patrol for the calendar year 1988 records the activities of the wing and the accomplishments of the members in their contributions toward achievement of the nationwide Civil Air Patrol mission.

The wing headquarters supervises, guides and instructs the field units toward mission accomplishment, as well as establishing a cooperative attitude between all the wing members. All members from wing headquarters, through the groups, squadrons and flights are unpaid civilian volunteers. As such, each can join or leave whenever the individual chooses. The outstanding accomplishments of the wing staff and all members is that they all work together without the legislative or official power of military orders. In the true spirit of the minutemen of old, they work together for the common good.

This is the first "in-depth", annual history written about the Texas Wing as far as I know. As more information about activities from years past are uncovered, they will be included in future editions of this history. I would like to thank all of those who have contributed their time and knowledge toward the writing of this annual history.

Member, National Historical Committee and Texas Wing Historian

SUMMARY

Chapter One provides a written account of the activities of the different staff functions and some of the events of 1988. Footnotes are provided to indicate sources of information.

Page one includes information on the Wing Commander and location of the Texas Wing Headquarters. Also included is information on membership, finance, inspections, aircraft and vehicles, liaison office and public affairs and recruiting.

Page two includes information on the 1988 Texas Wing conference, the CAP-MAP program as related to Texas Wing, Chaplains, emergency services, communications and the historical program for Texas Wing.

Page three contains information on the cadet program, aerospace education and senior member training.

Page four includes information on safety, customs missions and logistics.

NARRATIVE

This history of the Texas Wing, Civil Air Patrol covers the time period of 1 January 1988 through 31 December 1988.

During 1988, Texas Wing continued to be commanded by Colonel Thomas L. Todd, with Headquarters Texas Wing operating at Bergstrom A.F.B. Texas (Austin).

MEMBERSHIP: As of 31 December 1988; 1,919 senior members and 1,491 cadets. According to the 1988 CAP-MAP report, Texas Wing had a cadet membership growth of .5% and a senior member growth of 2%. During the year, three members were terminated with cause.₁

FINANCE: Texas Wing was in the State budget for \$16,000 for 1988, but only received \$4,313.00 in aid from the State of Texas during the year. A Fund Raising Committee was established within the Wing Headquarters, but only raised a total of \$237.00 during all of 1988. The Wing Commander expressed extreme displeasure at the poor performance of the wing committee.₁

INSPECTIONS: Texas Wing was inspected by Southwest Region and the Government Accounting Office during 1988. Both inspections indicated a lot of improvement over the inspections held during 1987.₁

AIRCRAFT AND VEHICLES: During 1988, Texas Wing acquired four new aircraft and six new vehicles and disposed of 15 older vehicles.₁ See appendix XVI for full report of corporate aircraft on hand at the end of the year. During 1988, with two exceptions, all corporate aircraft exceeded the 100 hours flight time required by these aircraft. One of those had 65 hours and the other had 92 hours.₂

LIAISON OFFICE: Lt. Col. Bruce Ehly continued to serve as our Air Force L.O. during the year while M/Sgt. Marty Martinez served as LNCO.₃

PUBLIC AFFAIRS AND RECRUITING: Texas Wing continued a strong public affairs and recruiting campaign throughout the year. Increases in both Cadet and Senior Member membership, plus numerous articles in the Civil Air Patrol News during the year created a positive image for CAP. The Texas Wing only published two issues of the wing newspaper WINGS OVER TEXAS during 1988.₁

TEXAS WING CONFERENCE HELD IN SAN ANTONIO

The beautiful new Marriott Hotel on the Riverwalk in San Antonio was the place to be on October 14th thru the 16th, as that was where the Texas Wing Conference was held.

The Wing was honored to have Gen. Eugene Harwell as the guest speaker for the banquet. Gen. Harwell also assisted in the presenting of awards in general assembly and at the banquet. He was also the recipient of an "Award" when he was presented with a Texas Wing Patch that had been carried into space and back on the Space Shuttle Discovery. It was attached to a document stating its history and was beautifully framed.

The conference was well attended and the awards for the outstanding Civil Air Patrol members and units were given throughout Saturday at the general assembly and at the banquet. The major awards and their recipients are as follows:

Female Senior Member of the Year — Cherry Barr
 Male Senior Member of the Year — Robert Price
 Chaplain of the Year — Vincent Orlando
 Public Affairs Officer of the Year — Eddie Ray
 Communicator of the Year — Fred Deyes
 Reserve Assistance Officer of the Year — LTC James Zoeller
 Safety Officer of the Year — George Vose
 Group of the Year — 13th Group

Squadron of the Year — Uvalde Comp. Sqdn.

Cadet Awards

Cadet of the Year — Charles Bushong
 Spatz — Tamara Floyd
 Mitchell Award — Glenn C. Blowe, Cole Hendrick & Deanna D. Neal
 Erhart — Sue A Richardson, Gary L. Leper & John S. Mapes

Chris Gutierrez, Harold Bartlett, Frank Cessna, Harry Ratliff and Curtis Trull, Sr.

Kathy L. Minden, who was unable to attend National Board to receive her award for National PAO of the Year - Second Place, was presented her plaque by Gen. Harwell.

Those attending had a great time and we hope all members will mark their calendars and plan to attend next year's conference.

(See footnote # 4)

CAP-MAP: Texas Wing dropped from number 14 in 1987 to number 21 in 1988. Some interesting figures on the CAP-MAP include: Corporate Learning Courses, had 100% of the goal of members attend. In flight clinics, Texas Wing had a goal of 96, but only 80 attended. Texas Wing received 191 points for a total of 4,104 flight hours. In the Pilot Proficiency Program, Texas Wing had a goal of 96, but only 43 completions. 5

CHAPLAINS: As of 31 December 1988, Texas Wing had 44 Chaplains assigned to units. 5

EMERGENCY SERVICES: For E.S. statistics, see Appendix VII. Details furnished by Lt. Col. Orlan Scott, Director of Emergency Services, TX WG. Col. Todd expressed to the wing historian, that Emergency Services was one of the best performing areas of the wing during 1988.

COMMUNICATIONS: No communications schools were held in Texas Wing during 1988. As of 31 December 1988, Texas Wing had 145 airmobile radio stations, 165 fixed stations, 485 ground mobile stations and 81 SAR stations. 171 radio operators permits were issued during 1988. (See appendices VIII and IX) 6

HISTORICAL PROGRAM: One historical aircraft was marked in Texas Wing in 1988. That aircraft belonged to Mrs. Sammy Lou Pierce of Ozona (case # 130), and was a Piper J-4A NC26144. The Texas Wing Historical Program was largely inactive during 1988 as no articles from the wing historian appeared in WINGS OVER TEXAS during the year. The Texas Wing Historian was named Historian of the Year for 1987 at the National Board Meeting in Washington D.C. in August.

6. Written report to Wing Historian from LTC Bailey, Dir. of Communications.

CADET PROGRAM: As of 31 December 1988, Texas Wing had 1,470 Cadets.

During 1988, Texas Wing exceeded the goals for cadet awards as set forth in the CAP-MAP program. The wing recorded 3 Spaatz Awards (see appendix XI), 25 Earhart Awards (see appendix XI) and 80 Mitchell Awards (see appendix XII - only 70 names of cadets were published in the Civil Air Patrol News). (NOTE: In the 11th hour of preparation of this history, an addition listing of cadet awards for 1988 was furnished by Capt. Broyles, Director of Cadet Programs, which may not match the listings for cadet awards found in appendices XI and XII. Capt. Broyles' hand written listings are included in the supporting documents section of this history.)

Texas Wing held solo encampments in June and July and a Type A encampment at Lackland AFB on 10 - 18 August. The Type A encampment was attended by 240 cadets, 25 senior members and included 181 "first timers". Three Type B encampments were held: 4th Group at Camp Wilson with 88 cadets, 6th Group at Carswell AFB with 37 cadets and an additional Type B encampment was held at Jersey Village Composite Sqd. with an unknown number of cadets.

In the area of Orientation Flights, Texas Wing had a goal of 793, but only recieved CAP-MAP credit for 134 flights. The Texas Wing Commander was very displeased by the poor showing of the wing in this regard. 7

AEROSPCE EDUCATION: The 1988 CAP-MAP goal for senior members to complete the aerospace test for the Yeager Award was 94. Only 77 senior members from Texas Wing completed and passes the test for this award. 8 (See appendix XIII)

Aerospace Education is the weakest of the 3 main CAP missions in the Texas Wing. In some units, it is doing very good with a very active program, but in many others it is almost non-existent. The Wing Commander see's Aerospace Education as one area where the wing in general needs improvement. 9

SENIOR MEMBER TRAINING: This area of training had a very busy year in 1988. The following schools were held in the wing:

Squadron Leadership School:

6th Group	Ft. Worth	24-25 Jan. 1988
19th Group	San Antonio	27-28 Feb. 1988
16th Group	Odessa	19-20 March 1988
17th Group	Abilene	5-6 Nov. 1988

Corporate Learning Courses

1st Group	Amarillo	30-31 Jan. 1988
4th Group	Dallas	6-7 Feb. 1988
13th Group	Houston	16-17 July 1988

See appendix XIV for other senior member training statistics. 10

SAFETY: 1988 was a very good year for safety in Texas Wing. Only one ground vehicle accident and 2 reportable aircraft incidents. No CAP personnel were injured while on CAP duty (includes aircraft and vehicles), and there were no aircraft accidents during the year. Eighty-three units were presented safety awards and Major George Vose was named Wing Safety Officer of the Year. Major Vose was also awarded an FAA Safety Award for his work in this area. A better safety record was established despite an increase in overall flight hours due to missions being flown in support of the Customs Service. 11

CUSTOMS MISSIONS: During 1988, the Texas Wing stepped-up it's support of the U.S. Customs Service. By 31 December 1988, Texas Wing had flown 102 missions for a total of 392 hours. 12

LOGISTICS: Texas Wing continued to "clean-house", in regards to supply during 1988. Much in-operable equipment was disposed of, including vehicles. Some difficulty resulted from squadrons not maintaining proper records. The year has seen a continuing up-grading of equipment items for field units and the disposing of those items that were worn out or failed to enhance a units effectiveness. 13

SUMMARY

Chapter two contains clippings from the Civil Air Patrol News and from Wings Over Texas (the Wing newspaper), which are articles about units and personnel from Texas Wing during 1988.

NOTE: Pages are numbered from the last page of chapter One.

Page five and page six are an article from the Civil Air Patrol News about an aviation day sponsored by Ellington Composite Squadron.

Page seven contains articles about the 1988 Southwest Region SAR-Competition in which the Texas Wing took first place. This page also contains an article about a typical SAR mission that was conducted by the New Mexico Wing with the help of the Texas Wing.

Page eight has an article on the 1988 SWR cadet competition and about the Texas Wing cadets from Jersey village Squadron who won the competition.

Pages nine and ten show the 1988 Texas Wing Spaatz awards being presented.

Page eleven contains a photo and caption regarding the Beaumont Composite Squadron ground team during a training exercise. This page also contains an article about Cadet Clifton Farrar, who was selected to attend the Air Force Academy.

The following article appeared in the Jan. 1989 issue of the Civil Air Patrol News.

Houston unit sponsors aviation day

HOUSTON — A presentation given by Astronaut Mike Lounge on the recent *Discovery* mission was the highlight of 'Aerospace and Aviation Day,' hosted by Texas Wing's Ellington Composite Squadron. The event featured continuous aviation and aerospace presentations, related exhibits and static aircraft displays.

An opening ceremony started the day's activities. Capt. Howard Silverman, Ellington's squadron commander, welcomed visitors and thanked the Texas Air National Guard as well as United States Coast Guard for providing facilities and support to 'Aerospace and Aviation Day'. Plaques of appreciation, designed in the shape of Texas and carrying the Civil Air Patrol emblem, were presented to the commanding officers of both parties.

Visitors were able to view several exhibits and displays located inside the U.S.C.G. Air Station's hangar. Along with Civil Air Patrol were recruiting displays from the U.S. Air Force, Texas Air National Guard and U.S. Coast Guard. San Jacinto College set up a display which provided information on an Eastern Airlines Pilot Entry Program. Two stand-up exhibits on the space shuttle were courtesy of NASA's Johnson Space Center and several aerospace related pictures were provided by Hamilton-Standard and Eagle Engineering.

A T-37 and T-38 from Randolph AFB, Texas, along with a KC-135 from Carswell AFB, Texas, formed part of static air-

craft displays. Additionally, the Texas Air National Guard provided an F-4 and the U.S. Coast Guard displayed a rescue helicopter. Several Texas National Guard helicopters were also available for viewing.

Unfortunately dense fog, which also affected attendance, prevented several other aircraft from arriving. Expected were two of Houston's emergency rescue helicopters, the Houston Police Department's helicopter and a T-41 from the U.S. Air Force Academy.

Although exhibits and aircraft formed an integral part of this event, the true focus of 'Aerospace and Aviation Day' was the continual presentations given by companies and organizations involved in the aviation and aerospace industry.

The morning saw presentations by the Federal Aviation Administration on becoming an air traffic controller; San Jacinto College about becoming a commercial pilot; and Life Flight, Hermann Hospital's emergency rescue helicopter.

Thereafter, a representative of NASA's Johnson Space Center provided an excellent presentation about the space shuttle. This was then followed by a British Airways representative, who spoke about the *Concord* and a joint presentation from recruiters of the Air Force and Texas National Guard.

Highlight of 'Aerospace and Aviation Day' came in two parts, starting with a presentation by the Challenger Center on future plans and goals as well as the importance of

educating today's youth in aerospace so America's future in space is ensured.

Immediately following the Challenger Center presentation was Astronaut Mike Lounge, a lieutenant colonel in Civil Air Patrol. Colonel Lounge narrated a film focusing on the highlights of the recent *Discovery* mission that returned America to space. Following some additional slides on the mission, Colonel Lounge answered questions, speaking

on becoming an astronaut, his future plans and his involvement in Civil Air Patrol.

Colonel Lounge seized this opportunity to present the Ellington Composite Squadron with a plaque recognizing the squadron for continued efforts in the area of aerospace. Signed by Colonel Lounge, the plaque pictures the crew of *Discovery* and the shuttle during takeoff and landing. Included on the plaque were a crew patch and American flag flown onboard

the *Discovery* Space Shuttle.

Though Saturday had seen a full and entertaining day, Sunday provided one last treat to 'Aerospace and Aviation Day,' when commander and crew of the KC-135 opened up their aircraft for Ellington members to tour. Although it was not planned, NASA also provided a rare opportunity that morning. While touring the KC-135, members had a chance to watch as NASA's U-2 departed Ellington Field.

Texas Wing wins SWR competition

HOUSTON — A Jersey Village High School Composite Squadron ground search and rescue team helped the Texas Wing earn first place at the 1988 Southwest Region Search and Rescue Competition at Ardmore, Okla. The Jersey Village ground team will now compete during the National Search and Rescue Competition at Whiteman Air Force Base, Mo., Labor Day weekend.

Each of the six southwestern states, Arizona, Arkansas, Louisiana, New Mexico, Oklahoma and Texas, competed at the regional competition. Each wing entered a mission coordinator team, two aircrews and a ground team. During the two-day competition these teams competed in some 10 events which led to the determination of best teams and winning wing.

Texas Wing was overall winner and will send the mission coordinator team, one aircraft and ground team from Jersey Village to compete with the other seven regions. One aircrew from Oklahoma placed higher than a Texas aircrew and will complete the region competition team.

To qualify as best overall ground team, members competed in a written examination, a witness interrogation problem, a ground emergency locator transmitter direction finding search, a

medical trauma problem, and an air-ground coordination problem with radio out procedures.

Ground teams from the squadron have entered all search and rescue competitions since the competitions began in 1984. In 1984 the team placed first overall at the national competition, in 1985 and 1986 they placed second at region, and in 1987 they placed first in the Southwest Region competition. National competitions are conducted every other year.

New Mexico crew locates oilman's aircraft wreckage

ALBUQUERQUE, N.M. — The New Mexico Wing launched a search June 27 for Santa Fe pilot John Wilson who had taken off at 8:44 a.m. from Santa Fe in a *Piper Cherokee Arrow* in marginal weather on a business flight to Midland, Texas.

Wilson did not file a flight plan. When he failed to arrive in Midland, a business associate notified Wilson's family, who alerted search authorities. On June 28, a full-scale search was organized, involving both New Mexico and Texas Wings, with one mission base in Santa Fe and the other in Odessa, Texas.

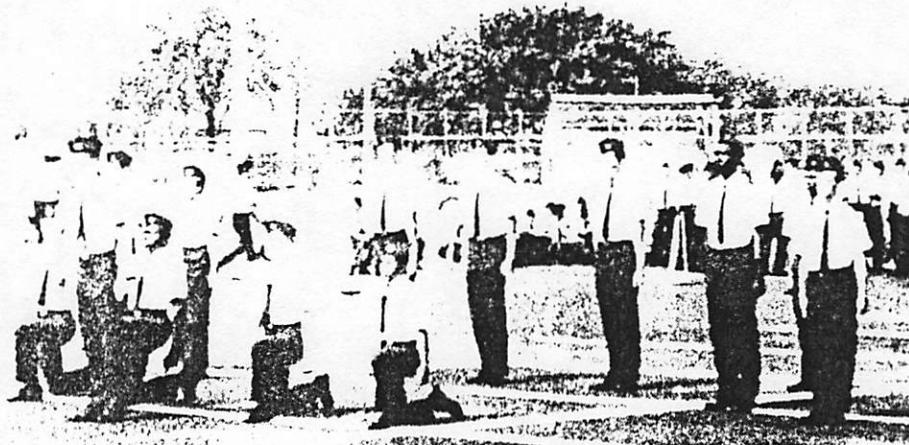

Under the coordination of Capt. James Hawthorne, New Mexico aircraft searched Wilson's probable route from Santa Fe to Roswell, N.M., the halfway point, while the Texas aircraft searched the route from the other direction. June 29, New Mexico moved its mission base to Roswell where Maj. Gary Williams served as mission coordinator. Early that afternoon Capt. Fred Wood, pilot, and Maj. Carl Hendrickson, observer, both of the Alamogordo Composite Squadron, New Mexico Wing, spotted the wreckage of an aircraft on El Capitan, a mountain about 60 miles northwest of Roswell.

A state police helicopter crew then confirmed the aircraft was Wilson's. A search and rescue ground team, assisting New Mexico State Police, reached the wreckage in the late afternoon. Wilson was deceased.

Wilson was owner and president of Wilson Energy, a small oil company in Midland. He maintained residences in Santa Fe and Midland and had flown the route many times.

The article at left appeared in the Sept. 1988 issue of the Civil Air Patrol News. Although it is headlined "New Mexico...", Texas Wing personnel were involved in this mission. This article illustrates the typical inter-Wing cooperation within C.A.P.

The following article appeared in the Dec. 1988 issue of the Civil Air Patrol News:

Texas cadets earn opportunity to compete in cadet competition

HOUSTON — The 1988 six state Southwest Region Cadet Competition was won by the Texas team of cadets from the Jersey Village High School Composite Squadron. The competition was conducted this summer at the Dallas Naval Air Station in Grand Prairie.

By winning the overall championship, the Jersey Village cadet drill team will compete at the National Cadet Competition at Maxwell Air Force Base, Ala., on behalf of the Southwest Region later this month.

Second place went to the cadet drill team from Arizona Wing, while Arkansas Wing finished third, Louisiana Wing in fourth, Oklahoma Wing in fifth, and sixth the New Mexico Wing team. Each drill team was composed of 20 cadets who competed in seven events to determine the final standings.

The Texas team placed first in the panel quiz (based on the G.I. Bill), Basic, and innovative drill competitions. They earned second place in two other events: written examinations, cadet possession, and standard drill.

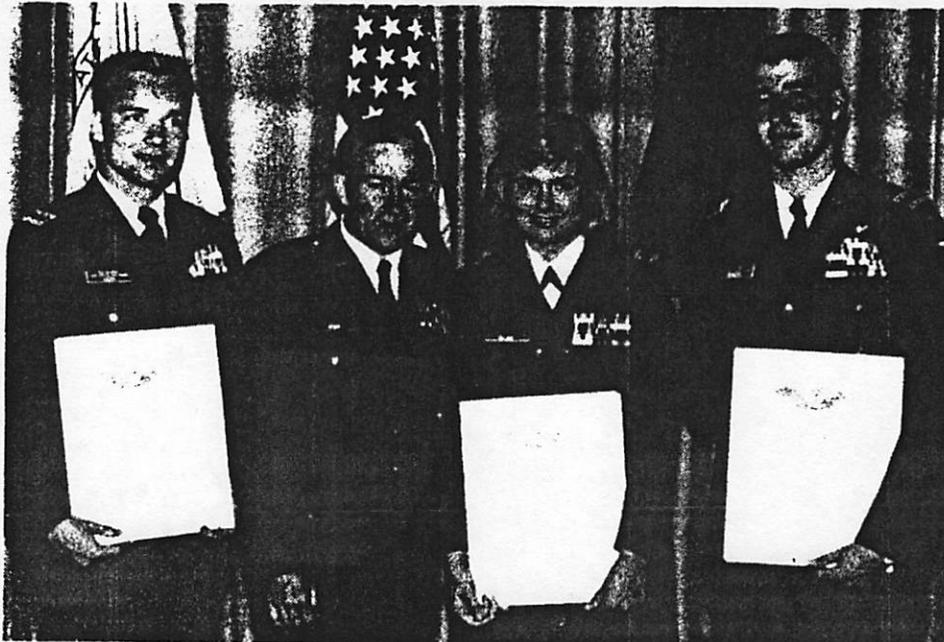

Cadet Patrick Byrne served as cadet commander for the team, which included Cadets Christopher Rogers, Richard Overkamp, Mark Garrett, West Barnett, Christopher Fuller, Christopher Platz, Ashley Schwartz, Shawn Whitehurst, Luis Colon, Colin Parrish, Reinaldo Colon, Willie Knight, Kevin Wortman, Brian Provost and Lori Huckabay. Alternates included Cadets Hana Fontenot and Hunter Hill.

The senior member escorts for the Texas competition team included Lt. Col. Harry Hicks, squadron commander; Army Reserve Maj. Larry Davis, squadron Reserve assistance officer; 1st Lt. Luis Colon, logistics officer; and 2nd Lt. Bridget Garcia, personnel officer.

The Jersey Village drill team, in moving to the Southwest Region competition, won the Houston Area Group 13 Cadet Competition in May. They won the Texas Wing Cadet Competition at Bergstrom Air Force Base, Texas, in May against teams from Dallas and Fort Worth areas.

FARRAR TO ATTEND AIR FORCE ACADEMY

Cadet Flight Officer Clifton Farrar, with Gregg County Civil Air Patrol, has been notified that he has been selected to attend the Air Force Academy, one of some 1,600 selected this year. Some 16,500 people made application to the academy.

A graduate of Sabine High School in the upper 10 percent with a 3.5 average, Farrar was active in track, was president of the Jet Club and a student council representative.

U.S. Rep. Ralph Hall, D-Rockwall, nominated Farrar for the Academy.

Farrar has been a cadet in the CAP for two years and attained the rank of flight officer plus the Mitchell Award. This covered classes in military customs, marching, leadership and aerospace education.

Farrar is the son of Douglas and Jane Farrar of Liberty City.

A prior Gregg County Civil Air Patrol Squadron cadet, John Olsen, is graduating this spring from the Academy. ✈

DISPOSITION BY TYPE OF MISSION - January 1 through December 31, 1988

TYPE OF MISSION	TOTAL INVOLVED	NON-DISTRESS	SAVE	MISSING	DECEASED
AIRCRAFT	28	14	3	0	11
ELT	3	1	2	0	0
MISSING PERSON	4	0	1	1	2
	35	15	6	1	13

Of the 114 ELT Missions, there were 11 EPIRBS, 2 FAA equipment malfunction and 6 crashed aircraft. There were 3 saves credited to ELT on crashed aircraft which was instrumental in making a quick find. On missing aircraft missions and missing person missions, Texas Wing was credited with one save and a joint save on a missing person with other agencies. There were 2 saves made by Navy helicopter where 2 Navy pilots had baled out and Texas was not involved. Texas Wing was credited with a total of 4 saves in 1988.

BUDGET PROPOSALS FOR TEXAS WING HISTORICAL PROGRAM. SUBMITTED BY Lt. Col.

Lee Ragan, CAP, Texas Wing Historian.

FIRST YEAR;

1. Renovation of office space for wing archives.....	\$2500	
2. Office Supplies.....	\$500	
3. Office Equipment.....	\$2000	
4. Reproduction.....	\$3000	
5. Photographic Support.....	\$500	
6. Travel Expense	\$1000	
7. Postal Expense	\$500	
TOTAL.....		\$10,000

Item 1: Renovation of office space at the CAP Hanger located at Schlemeyer Field, Odessa, Texas. A one time expense to convert an old supply room into an office to house the Texas Wing Archives. Maintenance of this facility (including light/gas bills), should drop to about \$1,000 per year after initial renovation.

Item 3: Office equipment would consist of desks, file cabinets and display cabinets for wing archives holdings. Maintenance should drop to about \$250 per year after initial set-up.

Item 4: Reproduction. Initial cost is for a copier. Maintenance should drop to about \$250 per year after initial set-up.

Item 6: Travel to conduct interviews. This figure represents only amount expected to be spent for airfares and fuel in aircraft or vehicles. Motel and eating expenses would be paid by wing historian.

Follow-on yearly budgets: We can expect these to be held to the range of \$4000 to \$5000 per year and still maintain a first-rate wing historical program.

NOTE: Information regarding Spaatz Awards for Texas Wing Cadets was obtained from the Civil Air Patrol News for Cadets Askin, Kern, Malone and Rogers. The information regarding Cadet Floyd was obtained from the Texas Wing Newspaper, WINGS OVER TEXAS. According to Col. Todd, there were three Spaatz awards made to Texas Wing Cadets during 1988, and according to the Civil Air Patrol News, four Spaatz Awards were presented. It is possible that one or more of the listed awards were actually earned in 1987 and were not published until 1988 in the Civil Air Patrol News.

THE LISTS OF NAMES AND UNITS FOR ALL CADET AWARDS WAS COMPILED FROM THE MONTHLY LISTINGS GIVEN IN THE CIVIL AIR PATROL NEWS. (Issues used were: Feb. 1988 - Jan. 1989 which allows for a one month time lag). These Cadet awards lists MAY NOT be complete.
