BACK TO THE GRIND

Within less than twenty-four hours, the 1959 OHIO WING CIVIL AIR PATROL SUMMER ENCAMPMENT will be only a memory.

So much as happened in such a short span of time, it has been impossible to capture all of the many experiences that have occurred. The cooperation of all Encampment personnel in getting information to the SCOOP SHEET is greatly appreciated. This issue will complete the ISO coverage of the Encampment and each member will receive a booklet giving pertinent information on all Encampment members, their addresses, etc.

Once again ISO thanks everyone for their wonderful help and we hope you have enjoyed our literary (?) efforts. Any errors that you have observed during the past week in copy, punctuation, spelling, etc. etc. is due to the Course in Stupidity that we took just prior to Encampment - and we might add that we made top honors with a grade of "A +". We hope to see everyone next year.

YOU GET MORE OUT OF CAP WHEN YOU GET OUT TO CAP MORE

"It has been rumored around the Area that a certain male C/Major has acquired the nickname of "Father Furber" because of his invaluable love advice to the forlorn group staff."
C/Lt Col Schults

Kissing is just so much chemistry. It has to do with a craving for salt. The cave man found that salt helped to cool him off in the summer. He found too, that he could get salt by licking his neighbors cheek. Also that it was more interesting if the neighbor was of the opposite sex.

THEN EVERYBODY FORGOT ABOUT SALT.

Chaplains Eisemann and McCausland advised us that many cadets expressed themselves concerning the ministry of their squadron chaplains. They seemed very much in favor of the following; more character guidance lectures, having a chaplain in each squadron, have him present and participating in squadron meetings.

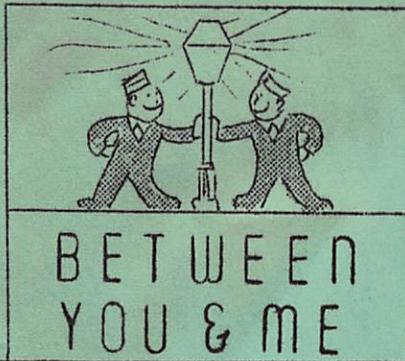

The names of 31 clergymen were suggested as possible candidates for Civil Air Patrol Chaplaincy for ministry in local Ohio Wing squadrons. These names will be forwarded to squadron commanders involved with the hope that he will make every effort to secure their services.

A tramp called at a home and asked for a handout.

"How would you like a nice chop?" asked the kindly housewife.

"That all depends", said the tramp. "Is it pork, lamb or wood?"

GOING TO CHURCH IS A WONDERFUL WAY TO GET YOUR FAITH LIFTED

Everyone is proud of the banners which have been carried by the squadrons of the Encampment. They have contributed to the "ESPRIT de CORPS" by giving each unit a symbol around which to rally the feelings of the cadets for their own group or squadron members.

In some way, these simple cloth pennants have become a reminder of the cooperation and friendships made here at camp. Perhaps, in times to come, the traditions that each of these flags have established will be passed on to each new squadron in future years. Thus the cadets of each new squadron "A" will in some way carry on the traditions established by all of the cadets who have belonged to this squadron.

The guidons were cut to AF regulation dimensions by C/Major Roger Gallaway of Mansfield, Ohio. This cadet sewed the hem into each banner to make them a permanent guidon for years to come. The letters designating the squadron were designed and created by C/M/Sgt Janice also of Mansfield, O. She also designed and constructed the honor streamer which is flown from the top of the staff of the honor squadron. The honor streamer is constructed of blue, red and green cloth to symbolize the ribbon awarded to each cadet and senior who attends Summer Encampment.

DID YOU KNOW that all cadets of Squadron "C" has nominated Cadet Veronica Burcar as the Squadron Mascot? Cadet Burcar's name was announced as "Sweet Pea", as this same name is used by a Flt Ldr of Sqdn "C". All cadets from Sqdn "C" will pay respects to "Sweet Pea" at all times.

. that CWO Marlene Vastine's doctor ordered her to stay away from cigarettes and she is following his instructions? You should see the size of the holder.

. that you can get those attractive chrome name plates like VAN FLEET wears by writing to Gardner Engraving, 1702 West Summit Ave., San Antonio, Tex? They cost 80¢ for the small size and \$1.00 for the larger style with name and initials.

. that sharp Squadron "A" has a Squadron song written by Major McClintock?

. that Sqdn "H" has been so busy lately, what with winning Honor Sqdn and sending off our favorite CO? Reminscing about the last few days we particularly recall the time Capt Mancino stood us at attention, facing our bunks as she merpily jumped from bunk to bunk before we stripped them, thus fulfilling a life long ambition.

-Edwina Cilbulka -

. that a certain female Capt (Cadet, that is), climbed on top of the barracks in her sailor suit and we have pictures to prove it?

-Edwina Cilbulka -

This has been a busy 8 days for all of us, hasn't it? Now the time has come to pack our gear, say our goodbyes, complete our last minute reports and get ready to "move out". In the interim between this Encampment and the next, we sincerely hope that the fun, friends and lessons we have learned will bear rich fruit back at our local units. May your frequent prayers toward this end be answered in God's own way.

-Chaplain Eisemann -

BON VONAGE, CATHY

Catherine Mancino, C/Capt. Commander of Squadron "H", left today for Maxwell Air Force Base, Alabama, where she will attend a jet orientation course. This course will last from the 23rd to the 29th of August. Fifty-one female Cadets will take this course which will include such phases of training as flights in a jet trainer, base tours, lectures, altitude chamber tests, a tour of the medical center, career training, and classes in radioactivity. Cathy was chosen to represent the state of Ohio at this course.

Miss Mancino is from Squadron 402, Cleveland. She is a 1st/Lt. there with the position of Executive Officer.

Joe: "Is your wife a club woman?"

Bill: "No, thank goodness, mine's strictly a dish thrower."

What happens after the Encampment goes to bed?

One Captain, one Colonel, and two Majors can be found sitting in the Orderly Room telling stories!

A cadet in "F" Squadron, who wishes to remain anonymous, tried unsuccessfully to call home. A bit frustrated he slammed down the receiver of the telephone a bit to hard, and walked away from the telephone with his dime plus an additional \$1.85. SLOT MACHINES ON THE BASE!!!!

Question: "What is a double petunia?"

Answer: "Well, a petunia is a flower like a begonia; begonia is a meat like a sausage; sausage and battery is a crime; monkeys crime trees; trees a crowd; a rooster crowd in the morning and made a noise; a noise is on your face like your eyes; eyes is the opposite of nays; a horse nays and has a colt; you get a colt and go to bed and wake up with double petunia."

It has come to our attention that there are several several family combination attending this Encampment. Lt. Col. Bevan's daughter, Sandra, is also attending the Encampment; Maj. McClintock and daughter Monica, and CWO Peters and son Paul are two more family pairs. We also have three sisters attending-Thada, Nada, and Fada Cumbridge.

DO YOU WANT TO KNOW WHO REALLY IS THE SLAVE DRIVER OVER AT THE I. S. O.? Not Maj. Ted Stalter, as you may think. But a certain F. C. O.
