Dear Ken:

I am just back from Arizona and California, where I went to bake out a bad cold, and have now had a chance to look over the anniversary CAP bulletin.

You certainly were courteous to mention my name and the historical record, etc. Having had a hand in it, I am delighted to see it flourishing. Of course I know that is largely due to its having capable men like yourself connected with it.

With best wishes for Christmas and the New Year,

Cordially yours,

Thomas H. Beck
