Subject: CAP Song

To: Commanding Officer, Wing 93
Civil Air Patrol
State Armory
Spokane, Washington

1. In line with your conversation with Captain Steers, National Headquarters will be glad to endorse Miss Robinson's song as the official CAP Anthem and plans for its use can be made accordingly.
2. As Captain Hoyt as previously suggested, I think the song needs a snappy title and should be published in a form so that it can be used as a march.
