SUBJECT: Special Staff Officer

TO: Special Assistant to the Chief of Staff for Reserve Forces  
Headquarters United States Air Force  
Washington 25, D. C.

1. The now highly publicized legal action being taken by the Federal Court of Illinois, the impending legal action to be taken within the state of Arkansas and the innumerable inquiries directed to the various Senate Investigating Committees and particularly that of the Chairman of the Committee on Armed Services, make it imperative that this officer be authorized to appoint a special assistant in legal matters.

2. In the above stated instances, I have found it necessary to absorb completely the services of a staff officer assigned this Headquarters. In so doing, the operation of that particular staff section was seriously impaired. It is my desire to appoint said officer as Special Assistant in Legal Matters and obtain an immediate replacement within the appropriate staff section. The officer in question is Major George A. Davisson, Jr., AO-307293, USAF. This Headquarters will take necessary action to obtain a suitable replacement for Major Davisson who is presently Assistant Chief of Staff, A-4.

3. It is requested, therefore, that AF-TD No. 3-32, C/S, USAF, dated 30 November 1948, be amended to include the position vacancy of Special Assistant to the Commanding General in Legal Matters, in grade of Lieutenant Colonel.
