Intelligence Officer,
Civil Air Patrol,
Office of Civilian Defense,
Washington, D. C.

Dear Captain Hoyt:

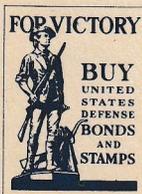

I am in receipt of your letter of April 17. We have received a communication from Miss Dorothy Robison, regarding her CAP song, and have written her for further information.

Captain Wasmer, our Communications Officer, offered to handle it for her, through the National Broadcasting Company, but to date she has not supplied us with the original score and the copyright. She apparently left this to an attorney, who has not taken care of it. As before stated, we have written her asking for immediate action if she still desires to have the song published. We will assist her all that we possibly can.

Sincerely yours,

P. H. Hinkley

Dear Major Hinkley:

With regard to Miss Robinson's song, I am enclosing a copy which she sent me. The copyright number is Entry Class "E", Pub. No. 111,050.

We have a letter from Miss Robinson releasing this song for any purposes for which CAP might wish to use it. However, if it is handled by a publisher, I see no reason why she should not receive the usual royalties.

Sincerely,

EARLE L. JOHNSON
National Commander
