Dear Jack:

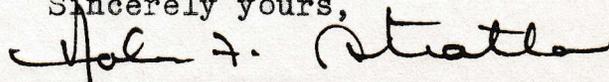

I have had submitted to me a CAP song entitled "We're the Civil Air Patrol" which has been written by Gail Ann Tremblett, serial No. 6-2-1625 and Elmer Kuenzie of Oconomowoc, Wis. Miss Tremblett is a member of the Waukesha CAP Squadron and Mr. Kuenzie is making application for membership.

I think this song has a lot of merit and it is too bad it was not submitted in time to enter the National Contest. The authors are aware of the fact that the regular contest was closed some months ago but are hoping that the song can be named as one of the official CAP songs if it is found acceptable.

I am enclosing herewith a copy of the score of this song. Orchestration is being prepared and will be forwarded at a later date. I am also forwarding to your personal attention the recording of this song which was made by Mr. Kuenzie.

I will very much appreciate your giving this song the once over and if at all possible will very much appreciate it if it could be listed as one of the official CAP songs. It has a good swing and I think you will like it.

Sincerely yours,

JOHN F. STRATTON, Major CAP

Dear Johnnie:

Received the recording together with the sheet music of "We're the Civil Air Patrol". Am sorry to inform you that when the record arrived it was broken.

Therefore, we would like very much to have another record for our files.
